LANGUAGE DIVERSITY in Indian Movies

India is a land of 780 languages, of which 23 are officially recognized. In IMDB's database, there are 39,854 movies across 37 languages (17 Indian and 20 Foreign) produced in India between 1935 and 2022. This infographic studies the patterns and growth of Language Diversity in Indian Movies.

1947 to 1965: Genesis and Growth of Parallel Cinema in Bengal; growth of regional cinema in Tamil Nadu, Andhra and Maharashtra

1965 to 1990: Adoor Gopalakrishnan, Aravindan introduced new narrative styles and themes; focusing on social issues and human emotions which led to national and international
